ICAI's Centre of Excellence

Situated in the historical city of Hyderabad, spreads over 2.82 acres with world-class infrastructure that facilitates excellence in teaching, research, consulting and other professional activities. It has modern amenities like video conferencing and AV equipment, well stocked digital library with the latest journals and newsletters. An atmosphere of the community life prevails in the campus of the CoE. It has facilities for various sports like table tennis, badminton, carrom, chess, swimming pool etc. There is a multi gymnasium located in the building.

The participants are housed in a modern air-conditioned complex on twin sharing basis with well furnished facilities at the residential block located in the campus. The calm and serene academic ambience of the campus and its lush green surroundings are highly conducive to study, reflection and learning.
