**7.1 Vision**

Every rural household has drinking water supply in adequate quantity of prescribed quality on regular and long-term basis at affordable service delivery charges leading to improvement in living standards of rural communities.

7.2 Mission

Jal Jeevan Mission is to assist, empower and facilitate:

- i.) States/ UTs in planning of participatory rural water supply strategy for ensuring potable drinking water security on long-term basis to every rural household and public institution, viz. GP building, School, Anganwadi centre, Health centre, wellness centres, etc.;
- ii.) States/ UTs for creation of water supply infrastructure so that every rural household has Functional Tap Connection (FHTC) by 2024 and water in adequate quantity of prescribed quality is made available on regular basis;
- iii.) States/ UTs to plan for their drinking water security;
- iv.) GPs/ rural communities to plan, implement, manage, own, operate and maintain their own in-village water supply systems;
- v.) States/ UTs to develop robust institutions having focus on service delivery and financial sustainability of the sector by promoting utility approach;
- vi.) capacity building of the stakeholders and create awareness in community on significance of water for improvement in quality of life;
- vii.) in making provision and mobilization of financial assistance to States/ UTs for implementation of the mission.

7.3 Objectives

The broad objectives of the Mission are:

- i.) to provide FHTC to every rural household;
- ii.) to prioritize provision of FHTCs in quality affected areas, villages in drought prone and desert areas, Sansad Adarsh Gram Yojana (SAGY) villages, etc.;
- iii.) to provide functional tap connection to Schools, Anganwadi centres, GP buildings, Health centres, wellness centres and community buildings;
- iv.) to monitor functionality of tap connections;
- v.) to promote and ensure voluntary ownership among local community by way of contribution in cash, kind and/ or labour and voluntary labour (shramdaan);
- vi.) to assist in ensuring sustainability of water supply system, i.e. water source, water supply infrastructure, and funds for regular O&M;
- vii.) to empower and develop human resource in the sector such that the demands of construction, plumbing, electrical, water quality management, water treatment, catchment protection, O&M, etc. are taken care of in short and long term; and
- viii.) to bring awareness on various aspects and significance of safe drinking water and involvement of stakeholders in manner that make water everyone's business.

7.4 Components under JMM

The following components are supported under JMM:

- i.) development of in-village piped water supply infrastructure to provide tap waterconnection to every rural household;
- ii.) development of reliable drinking water sources and/ or augmentation of existingsources to provide long-term sustainability of water supply system;
- iii.) Wherever necessary, bulk water transfer, treatment plants and distribution network tocater to every rural household;
- iv.) Technological interventions for removal of contaminants where water quality is anissue;
- v.) retrofitting of completed and ongoing schemes to provide FHTCs at minimum servicelevel of 55 lpcd;
- vi.) grey water management;
- vii.) support activities, i.e. IEC, HRD, training, development of utilities, water quality laboratories, water quality testing & surveillance, R&D, knowledge centre, capacity building of communities, etc.; and
- viii.) any other unforeseen challenges/ issues emerging due to natural disasters/ calamities which affect the goal of FHTC to every household by 2024, as per guidelines of Ministry of Finance on Flexi Funds.

7.5 Institutional Mechanism

JMM is a time bound mode programme and needs robust institutional framework for its successful implementation to achieve the stated goal. Hence, a four-tier institutional mechanism is to be set up at National, State, District and Village level, implementation support agencies, sector partners etc.

7.6 State level - State Water and Sanitation Mission (SWSM)

The concept of State Water and Sanitation Mission (SWSM) is tasked for coordination, convergence and policy guidance at the State level, headed by Chief Secretary of the State. The SWSM may be registered as a society as decided by the respective State Government/ UT Administration. The State Governments would provide necessary powers to the SWSM for successful implementation of JMM. The SWSM may be further strengthened to achieve the objective of JMM. SWSM, a state level institution headed by Chief Secretary with Principal Secretary/Secretary in-charge of PHED/ RWS Department as Mission Director is the organisation responsible for implementation of JMM in the state.

7.7 District Water and Sanitation Mission (DWSM)

At the district level, DWSM is responsible for overall implementation of JMM. DWSM will be headed byDeputy Commissioner/ District Collector (DC).

7.8 Data and documentation centre

Under the mission, a Data and Documentation centre will be set up to monitor its implementation, collection of information from States and to process the information. The centre will be primarily served by National Informatics Centre (NIC). The NIC would act as IT consultant both at national as well as state level.

7.9 Financial Planning and Funding

JMM is a time bound mode programme and for successful implementation needs robust financial planning and timely funding, mobilization of adequate resources and prudent utilization of funds are pre-requisites. In this direction, the SWSM/ DWSM will prepare year- wise financial plan by pooling all the available resources for rural drinking water supply like the Central fund, State fund, other programmes, MPLADS, MLALADS, DMDF, CSR fund, donations, etc.

Central financial assistance for Jal Jeevan Mission will have two sources namely Gross Budgetary Support (GBS) and Extra Budgetary Resources (EBR). The fund sharing pattern of the mission will be 50:50 for the state of Chhattisgarh.

Funding Pattern: Several sub-components/ sub-missions that were part of erstwhile NRDWP will also be funded along with Functional Household Tap Connection (FHTC) as per following details:

S. No.	Sub-components/ sub-missions under JMM	Centre: State funding pattern
1.	i.) Coverage i.e., infrastructure for Har Ghar Jal (in terms of FHTCs provided to rural households)	<ul style="list-style-type: none"> • 100:0 for UTs without legislature • 90:10 for NE & Himalayan States & UTs with legislature • 50:50 for other States
	ii.) Support Activities iii.) WQM&S	<ul style="list-style-type: none"> • 100:0 for UTs without legislature • 90:10 for NE & Himalayan States & UTs with legislature • 60:40 for other States
2. 4.	NWQSM in Arsenic and Fluoride affected habitations	<ul style="list-style-type: none"> • 90:10 for NE & Himalayan States • 50:50 for other States

7.10 Fund flow

SWSM will open a single nodal account in any scheduled commercial bank. SWSM will obtain details from these banks operational in State headquarters on services like PFMS compliance necessary for JMM implementation. The releases by the Government of India to the State Government will be made to their state treasuries from where States will be transferring the fund to the single nodal account of SWSM within 15 days along with the corresponding matching State share. The SWSM can use the existing single nodal account of erstwhile NRDWP or may open a new account in any scheduled commercial bank at the State Headquarters for maintaining the nodal account under JMM, in case there is no single nodal account.

Any change in the nodal account will be allowed only with the concurrence of Department/ National Mission. A written undertaking from the Bank needs to be made available to the effect that the bank will follow the Guidelines of Government of India for making payments from Department/ National Mission Fund. The SWSM will communicate the details of the Bank branch, IFSC code and the account number to Department/ National Mission. Bank will allow transaction in nodal account only when the request for making the transaction is received through PFMS mode and if done through treasury, same will be captured/ reflected

in PFMS system by making suitable interface between concerned State treasury and PFMS systems and then only transaction be allowed. Bank will agree to abide by the instructions issued from time to time by Department/Mission regarding operation of the Account. The Integrated Management Information System (IMIS) software would support Accounting System and would be enabled to allow rural water supply department/SWSM and Bank branch concerned to make data entry Online for the transactions to be made by them.

Money accruing as interest will be credited to the same account and reflected in the Utilization Certificate (UC) of the relevant year. The expenditure out of the interest amount will be made on items of work as permitted in the guidelines. Any deviation of expenditure will be guided by the instructions/guidelines to be issued by Department/ National Mission from time to time. The Bank will intimate to the SWSM the interest amount credited by it to the account on quarterly basis.

The State Government/ SWSM will decide about the matching fund as per the prescribed funding pattern. On receipt of the Central and State share of JJM by the SWSM in the single nodal account, its allocation among the Districts, based on the annual district action plans(DAP) finalized by the respective SWSM shall be made within two weeks. Based on the allocation, a drawl limit will be set for every district by the SWSM and it will authorize districts to raise payment advice and payment will be made from Single Nodal Account.

DWSM will get the work implemented as per the DAP and fund available at the district level, through Gram Panchayat and/ or its sub-committee, i.e. VWSC/ Paani Samiti/ User Group or PHED/ RWS Department as the case may be. After execution of the work, PHED/ RWS Department will raise the bill to DWSM/ SWSM as the case may be, who in turn will get the work inspected by an empanelled third-party agency. Thereafter, subject to due satisfaction of quality and quantity of work performed, the DWSM/ SWSM, as the case may be, will arrange to make the payments to the agency. The payments advice in PFMS mode will be raised by the DWSM/ SWSM to make payment to the agency for the executed works subject to fund allocation/ drawl limit set for the district by SWSM for that particular year. Payment advice generated through treasury mode will only be allowed only if the same is captured in PFMS system, by making suitable interface between concerned State treasury and PFMS. The payment advice will be sent by DWSM/ SWSM in PFMS mode to make the payments from Single nodal account to the account of concerned agency as authorized. No advance to any other account be made except to that of executing agency towards mobilization advance as per contract.
