

“ AWARENESS DRIVE MATTERS RELATED TO TENDERING ”

The ICAI has always been concerned about the tendering process and evaluation of tenders especially in case of Professional Services.

In order to monitor, analyze and streamline the decisions taken by Council from time to time mentioned below, a Group namely "Tender Monitoring Group "has been constituted. The Group works to streamline the process of tendering and to monitor the bids quoted by CAs in all the permissible tenders and analyze them. It may further refer the deviations at appropriate level.
